RE: Merced County Association of Governments' (MCAG) FY 02/03-03/04 FTIP Amendment 6

Dear Mr. Nicholas:

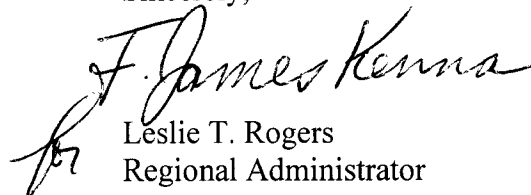

We have completed our review of Amendment Number 6 of the Merced County Association of Governments' (MCAG's) 2002/2003-2003/2004 Transportation Improvement Program (TIP) for inclusion into California's current Federal Statewide Transportation Improvement Program (FSTIP). This amendment was adopted by MCAG on April 17, 2003.

We accept this amendment in accordance with 23 CFR 450 as revised by the Metropolitan Planning Rule issued October 28, 1993, and effective November 29, 1993.

We find that this TIP Amendment is based on a continuing, comprehensive, coordinated transportation process in accordance with the provisions of 23 USC 134 and section 8 of the Federal Transit Act (49 USC app 1607). The project of this TIP Amendment is categorically exempt from a regional air quality analysis and do not affect MCAG's existing air quality conformity determination.

This letter also constitutes approval of the amended MCAG TIP for inclusion in California's 2002/2003 to 2003/2004 Federal Statewide Transportation Improvement Program (FSTIP), with the understanding that FTA funding approval on individual projects is subject to the grantees meeting the necessary administrative requirements. Our approval is based on Caltrans' assurance that the funding for this amendment is within the revised Financial Plan for the 2002-2004 FSTIP.

Sincerely,

Leslie T. Rogers
Regional Administrator
